Christopher Killin, Chairperson
Village of Chapman
P.O. Box 141
Chapman, NE 68827

Dear Chairperson Killin:

The Nebraska Auditor of Public Accounts (APA) has reviewed the audit waiver request received from the Village of Chapman for the fiscal year ending 2020. **That request has been approved.**

As noted in **Comment and Recommendation Number 1** ("Audit Waiver Filing") below, the Village's audit waiver request was not filed within the time constraints set by the APA to allow for an adequate review. **To be considered for an audit waiver for the fiscal year ended September 30, 2021, the Village must file its audit waiver request by December 31, 2021. If the request is not filed by then, the APA will deny any requests filed thereafter.** The Village then will be required to have an audit conducted for fiscal year 2021, and that audit will be required to be filed with the APA by March 31, 2022. Costs of such audit will be the responsibility of the Village.

While performing, pursuant to Neb. Rev. Stat. § 84-304 (Cum. Supp. 2020), the preliminary examination necessary to determine whether the audit waiver should be allowed or further audit work would be required, the APA noted certain internal control or compliance matters, or other operational issues, within the Village.

The following information is intended to improve internal controls or result in other operational efficiencies.

Comments and Recommendations

1. Audit Waiver Filing

The Village's audit waiver request was filed with the APA on April 30, 2021, nearly seven months after the fiscal year end and four months after the APA's deadline of December 31, 2020. To ensure adequate time to review the village waiver requests, the APA required all villages filing an audit waiver to have those filing submitted with the APA by December 31, 2020.

Good internal control requires procedures to ensure that the forms required to be filed with the APA are submitted within the time constraints set out by State statute and by the APA. Without such procedures, there is an increased risk of not only noncompliance with State statute but also an increased chance of the Village's audit waiver being denied or forfeited funds due to noncompliance of such filings.

We recommend the Village implement procedures to ensure forms required to be filed with the APA are submitted within the time constraints set out by the APA.

2. Lack of Dual Signatures

The APA obtained the bank statements for the Village's accounts from its fiscal year 2020 audit waiver request. From these statements, the APA noted that one of the Village checks written during the examination period contained only one signature, as shown below.

State statute requires Village checks to be signed by both the Board Chairperson and the Village Clerk. Specifically, Neb. Rev. Stat. § 17-711 (Cum. Supp. 2020) provides the following:

All warrants drawn upon the city treasurer of a city of the second class or village treasurer must be signed by the mayor or chairperson of the village board of trustees and countersigned by the city clerk or village clerk, stating the particular fund to which the same is chargeable, the person to whom payable, and for what particular object. No money shall be otherwise paid than upon such warrants so drawn. Each warrant shall specify the amount included in the adopted budget statement for such fund upon which it is drawn and the amount already expended of such fund.

Good internal control and sound accounting practices require procedures to ensure that Village checks contain the statutorily required endorsements. Without such procedures, there is an increased risk of not only failure to comply with State statute but also the loss and/or misuse of Village funds.

A similar issue was identified by the APA in a prior review and was disclosed to the Village in the APA's letter dated October 10, 2019, which can be found on the APA's website.

We recommend the Board implement procedures to require dual signatures, from the Board Chairperson and the Village Clerk, on all Village checks, as required by law.

3. Lack of Claim Purpose

During our comparison of the Village's bank account details to claims approved by the Board, the APA noted that the claims listed in the Board's official proceedings lacked descriptions of their respective purposes.

The following is an example of the approved claims listing provided by the Village for January 7, 2020:

Account	Five Points Bank	1/1/2020
	Village of Chapman	1/31/2020
Month/Year	Jan 2020	

[illegible]

Neb. Rev. Stat. § 19-1102 (Cum. Supp. 2020) requires publication of the Board’s official proceedings, which must include, among other things, the purpose of each claim allowed, as follows:

It shall be the duty of each city clerk or village clerk in every city or village having a population of not more than one hundred thousand inhabitants as determined by the most recent federal decennial census or the most recent revised certified count by the United States Bureau of the Census to prepare and publish the official proceedings of the city council or village board of trustees within thirty days after any meeting of the city council or village board of trustees. The publication shall be in a legal newspaper in or of general circulation in the city or village, shall set forth a statement of the proceedings of the meeting, and shall also include the amount of each claim allowed, the purpose of the claim, and the name of the claimant, except that the aggregate amount of all payroll claims may be included as one item. Between July 15 and August 15 of each year, the employee job titles and the current annual, monthly, or hourly salaries corresponding to such job titles shall be published. Each job title published shall be descriptive and indicative of the duties and functions of the position. The charge for the publication shall not exceed the rates provided for in section 23-122.

(Emphasis added.) Good internal control and sound accounting practices require procedures to ensure that the Board's official proceedings describe the purpose of each claim allowed. Without such procedures, there is an increased risk of not only failure to comply with statutory publication requirements but also a lack of transparency regarding the nature of public expenditures.

A similar issue was identified by the APA in a prior review and was disclosed to the Village in the APA's letter dated October 10, 2019, which can be found on the APA's website.

We recommend the Board implement procedures to ensure the purpose of each claim allowed is included in the Board's official proceedings and published in accordance with State statute.

4. Payment of Unapproved Claims

During our comparison of the Village's bank account details to claims approved by the Board, the APA identified the following checks, totaling \$4,427, which were paid but not included on the claims listing to be approved by the Board.

Details of the unapproved payments are included in the table below:

Ck Date	Name/Vendor	Amount	Check #	Cleared Date
1/7/2020	Laurie Killin	\$ 442.22	2190	1/21/2020
1/14/2020	Laurie Killin	\$ 442.22	2191	1/21/2020
1/10/2020	Hastman Leasing	\$3,100.00	2185	1/13/2020
1/21/2000	Laurie Killin	\$ 442.22	2192	1/21/2020

Good internal control requires procedures to ensure that all claims are approved by the Board prior to payment and are adequately documented in the meeting minutes of the month in which they are approved. Without such procedures, there is an increased risk for the loss or misuse of Village funds.

A similar issue was identified by the APA in a prior review and was disclosed to the Village in the APA's letter dated October 10, 2019, which can be found on the APA's website.

We recommend the Board implement procedures to ensure all claims are approved by the Board prior to payment and are adequately documented in the meeting minutes of the month in which they are approved.

The preliminary planning work that resulted in this letter was designed primarily on a test basis and, therefore, may not bring to light all existing weaknesses in the Village's policies or procedures. Nevertheless, our objective is to use the knowledge gained during the performance of that preliminary planning work to make comments and suggestions that we hope will prove useful to the Village.

This communication is intended solely for the information and use of the Village and its management. It is not intended to be, and should not be, used by anyone other than those specified parties. However, this letter is a matter of public record, and its distribution is not limited.
