Russell Eilers, Chairperson
Cottonwood Township Nance County
11536 N 560th Street
Palmer, NE 68864

Dear Chairperson Eilers:

The Nebraska Auditor of Public Accounts (APA) has reviewed the audit waiver request received from the Cottonwood Township Nance County (Township) for the fiscal year ending 2021. **That request has been approved.**

While performing, pursuant to Neb. Rev. Stat. § 84-304 (2021 Neb. Laws, LB 528, § 51), the preliminary examination necessary to determine whether further audit work would be required or the audit waiver should be allowed, the APA noted certain internal control or compliance matters, or other operational issues, within the Township.

The following information is intended to improve internal controls or result in other operational efficiencies.

Comments and Recommendations

1. Audit Waiver Balance

The APA obtained monthly statements of the Township's bank accounts for its fiscal year 2021 audit waiver request. From those statements, the APA noted that the ending balance on the fiscal year 2021 audit waiver of \$27,844 did not reconcile to the bank balances (including County Treasurer balance) of \$23,780, resulting in the June 30, 2021 audit waiver balance being overstated by \$4,064. The Township was unable to provide a June 30, 2021, reconciliation or explanation for this variance.

Good internal controls and sound accounting practices require procedures to ensure that balances reported on the audit waiver request are accurate. Without such procedures, there is an increased risk of loss or misuse of public funds.

We recommend the Township implement procedures to ensure that balances reported on the audit waiver request are accurate, and any discrepancies are resolved in a timely manner.

2. Payments Not Approved

The APA obtained a copy of the September 10, 2020, meeting minutes for the Township Board. Those minutes fail to reflect the Board's approval of any Township expenditures.

Nebraska law requires the Township Board approve all claims. In particular, Neb. Rev. Stat. § 23-255 (Reissue 2012) states the following, in relevant part:

All claims and charges against the town, duly audited and allowed by the town board, shall be paid by order so drawn.

(Emphasis added.) Properly discharging the above statutory duties necessarily entails the Board's approval of all expenditures of Township funds prior to the actual disbursement.

As a public body, moreover, the Board is subject to the provisions of the Open Meetings Act, which is set out at Neb. Rev. Stat. § 84-1407 (Reissue 2014) et seq. Per Neb. Rev. Stat. § 84-1413(1) (2021 Neb. Laws, LB 83, § 13) public bodies, including Township Boards, are required to "keep minutes of all meetings," showing, among other things, "the substance of all matters discussed."

Furthermore, a good internal control plan and sound business practices require procedures to ensure that the Board approves all expenditures and business transactions of the Township prior to payment. Those same procedures should ensure also that the Board documents such approval in its meeting minutes, specifying the name of each payee, the exact amount of any disbursement, and the specific purpose of the payment.

Without such procedures, there is an increased risk for not only failure to comply with State statute but also loss or misuse of public funds.

We recommend the implementation of procedures to ensure the Board approves all expenditures of Township funds prior to payment, and such approval is documented adequately in the Board's meeting minutes.

3. **Lack of Dual Signatures**

The APA obtained the monthly statements for the Township's bank accounts from its fiscal year 2021 audit waiver request. From those statements, the APA noted that three Township checks written during the examination period contained only one signature. An example of such checks is shown below.

Nebraska law requires both the Clerk and the Chairperson of the Township Board to sign all checks approved by the Board. In particular, Neb. Rev. Stat. § 23-255 (Reissue 2012) states, in relevant part, the following:

The town clerk shall draw and sign all orders upon the town treasurer for all money to be disbursed by the township, and all warrants upon the county treasurer for money raised for town purposes, or apportioned to the town by the county or state, and present the same to the chairman of the board, to be countersigned by him, and no warrant shall be paid until so countersigned.

(Emphasis added.) In addition, good internal controls and sound accounting practices require procedures to ensure that Township checks contain the statutorily required endorsements.

Without such procedures, there is an increased risk for not only failure to comply with State statute but also loss or misuse of public funds.

We recommend the Board implement procedures to require dual signatures, from both the Clerk and the Chairperson, on all Township checks, as required by law.

The preliminary planning work that resulted in this letter was designed primarily on a test basis and, therefore, may not bring to light all existing weaknesses in the Township's policies or procedures. Nevertheless, our objective is to use the knowledge gained during the performance of that preliminary planning work to make comments and suggestions that we hope will prove useful to the Township.

This communication is intended solely for the information and use of the Township and its management. It is not intended to be, and should not be, used by anyone other than those specified parties. However, this letter is a matter of public record, and its distribution is not limited.
