Byford Schmit, Chairperson
Village of Steinauer
215 Main Street
Steinauer, NE 68441

Dear Chairperson Schmit:

The Nebraska Auditor of Public Accounts (APA) has reviewed the audit waiver request received from the Village of Steinauer (Village) for the fiscal year ending 2021. **That request has been approved.**

While performing, pursuant to Neb. Rev. Stat. § 84-304 (Supp. 2021), the preliminary examination necessary to determine whether the audit waiver should be allowed or further audit work would be required, the APA noted certain internal control or compliance matters, or other operational issues, within the Village.

The following information is intended to improve internal controls or result in other operational efficiencies.

Comment and Recommendation

Expenditure in Excess of Budget

For the fiscal year ended September 30, 2021, actual expenditures exceeded the adopted budget by \$9,430.63, which, per the Village, was due to the following explanation:

We received a USDA Grant for improvements to three of the Village's buildings. Due to COVID and increases in the cost of building materials, the project went over budget by \$14,000. We discussed this with the USDA and are receiving an additional grant for the overage. We have not received the USDA reimbursement funds yet.

No amended budget was filed with our office for these additional expenditures.

Neb. Rev. Stat. § 13-510 (Reissue 2012) states, in relevant part, the following:

No expenditure during any fiscal year or biennial period shall be made in excess of the amounts indicated in the adopted budget statement, except as authorized in section 13-511, or by state law. Any officer or officers of any governing body who obligates funds contrary to the provisions of this section shall be guilty of a Class V misdemeanor.

Neb. Rev. Stat. § 13-511 (Cum. Supp. 2020) sets out the procedures for amending the adopted budget accordingly.

When expenditures are made in excess of the amounts budgeted with no appropriate budget amendment by the Board to address those excesses, the Village is noncompliant with State statute, further increasing the risk for loss and/or misuse of funds.

We recommend the Board implement procedures for monitoring closely its budget status on an ongoing basis to avoid incurring expenditures in excess of the amount budgeted, amending the budget as necessary to accommodate any unforeseen expenses.

The preliminary planning work that resulted in this letter was designed primarily on a test basis and, therefore, may not bring to light all existing weaknesses in the Village's policies or procedures. Nevertheless, our objective is to use the knowledge gained during the performance of that preliminary planning work to make comments and suggestions that we hope will prove useful to the Village.

This communication is intended solely for the information and use of the Village and its management. It is not intended to be, and should not be, used by anyone other than those specified parties. However, this letter is a matter of public record, and its distribution is not limited.
