Gus Moreno, Chairperson
Village of Ithaca
530 Main Street
Ithaca, NE 68033

Dear Chairperson Moreno:

The Nebraska Auditor of Public Accounts (APA) has reviewed the audit waiver request received from the Village of Ithaca (Village) for the fiscal year ending 2022. **That request has been approved.**

While performing, pursuant to Neb. Rev. Stat. § 84-304 (Cum. Supp. 2022), the preliminary examination necessary to determine whether the audit waiver should be allowed or further audit work would be required, the APA noted certain internal control or compliance matters, or other operational issues, within the Village.

The following information is intended to improve internal controls or result in other operational efficiencies.

Comment and Recommendation

Lack of Claim Purpose

During our comparison of the Village's bank account details to claims approved by the Board, the APA observed meeting minutes dated January 20, 2022, and noted that the claims listed in the Board's official proceedings lacked descriptions of their respective purposes. The APA also observed meeting minutes dated October 20, 2022, and January 19, 2023, and noted that this issue persisted in those meeting minutes as well.

The following is an example of the approved claims listing provided by the Village for January 19, 2023:

CLAIMS FOR PAYMENT

Approved Claims

OPPD \$648.06; Windstream \$246.58; EcoLab \$60.00; EMC Insurance Companies \$769.54; Wahoo Newspaper \$129.11; Dan Simon \$25.00; Jeff Buckmaster \$35.00; Roy Canterbury \$25.00; Scott Negley \$25.00; Saunders County \$100.00; Michelle Thompson \$660.00; NE Dept of Revenue \$434.27; Wahoo Utilities \$205.50; NE Public Health Env Lab \$15.00; One Call Concepts \$0.80; Hanson Well Service \$400.00; Cornhusker State Industries \$50.20; and JEO Consulting Group \$600.00. TOTAL \$4429.06

Neb. Rev. Stat. § 19-1102 (Reissue 2022) requires publication of the Board's official proceedings, which must include, among other things, the purpose of each claim allowed, as follows:

It shall be the duty of each city clerk or village clerk in every city or village having a population of not more than one hundred thousand inhabitants as determined by the most recent federal decennial census or the most recent revised certified count by the United States Bureau of the Census to prepare and publish the official proceedings of the city

council or village board of trustees within thirty days after any meeting of the city council or village board of trustees. The publication shall be in a legal newspaper in or of general circulation in the city or village, shall set forth a statement of the proceedings of the meeting, and shall also include the amount of each claim allowed, the purpose of the claim, and the name of the claimant, except that the aggregate amount of all payroll claims may be included as one item. Between July 15 and August 15 of each year, the employee job titles and the current annual, monthly, or hourly salaries corresponding to such job titles shall be published. Each job title published shall be descriptive and indicative of the duties and functions of the position. The charge for the publication shall not exceed the rates provided for in section 23-122.

(Emphasis added.) Good internal control and sound accounting practices require procedures to ensure that the Board's official proceedings describe the purpose of each claim allowed. Without such procedures, there is an increased risk of not only failure to comply with statutory publication requirements but also a lack of transparency regarding the nature of public expenditures.

A similar issue was identified by the APA in a prior review and was disclosed to the Village in the APA's letter dated March 22, 2022, which can be found on the APA's website. However, it does not appear this issue was corrected after the APA's notification.

We recommend the Board implement procedures to ensure the purpose of each claim allowed is included in the Board's official proceedings and published in accordance with State statute.

The preliminary planning work that resulted in this letter was designed primarily on a test basis and, therefore, may not bring to light all existing weaknesses in the Village's policies or procedures. Nevertheless, our objective is to use the knowledge gained during the performance of that preliminary planning work to make comments and suggestions that we hope will prove useful to the Village.

This communication is intended solely for the information and use of the Village and its management. It is not intended to be, and should not be, used by anyone other than those specified parties. However, this letter is a matter of public record, and its distribution is not limited.
